TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a Quayle action. Continuation of 4(e) Other: The amendments to Claims 1, 7-9, 12, and 13 do not properly reflect all of the changes made relative to the immediate prior version of the claims as required by 37 CFR 1.121(c)(2). Specifically, in Claim 1, text that was not previously present in the claim has been indicated by strikethrough as deleted (see the end of the limitation beginning "overwriting". In Claim 7, although most of the issues noted in the previous notice have been addressed, some changes to punctuation do not appear to have been indicated using underlining as appropriate. In Claim 9, although the issues present in the previous response have been corrected, it appears that different added text is now not properly indicated with underlining. Additionally, in Claims 8, 12, and 13, it appears that changes have been made that are not clearly indicated using underlining, strikethrough, or double brackets (as appropriate). Specifically, the dependence of each of Claims 8, 12, and 13 has been changed without proper markings; further, it is noted that Claims 8 and 13 have been amended to depend from a "claim 0".
